

Bayfield High School

“Quality Education in a Caring Environment”

A Year 9 to 13 Co-Educational High School, Dunedin, New Zealand

Bayfield High School was established in 1961 and is situated on the scenic Otago Peninsula. We have earned a reputation for academic excellence through gaining above average results in national examinations. We have students currently studying in many top world universities including Melbourne University, Sydney University, McQuarrie University, Oxford University as well as all New Zealand Universities

We are a community centred school and provide our students with a wide variety of academic, sporting and cultural opportunities. We have special strengths in the performing and visual arts. Our school show is an annual highlight. Our Outdoor Education programme the best provided in Dunedin. The school has extensive playing fields, a new gymnasium, well-resourced classrooms with access to up-to-date information technology equipment and programmes. All students have The Education Review Office report noted “students receive high quality pastoral care” and “students value the care and attention school personnel provide in responding to their needs”.
